- Discuss other ways you can support your child with their reading.

... relax there is no test at the end!!!

What is Read, Write Inc?

- A phonics program used by schools all over the country, which is closely matched to the National Curriculum.
- Combines many elements of the English curriculum including reading, spelling, sentences work, handwriting, grammar and comprehension.
- We will be teaching phonics 4 times a week for 15 mins to 1 hour a day.
- Small group teaching so every child works at a stage that suits them and with support.
- Regular assessment to regroup children.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Red words- Words which can't be sounded out using Fred Talk (....for now!)

Green words- Can be sounded out using Fred Talk

Speedy green words- Words the children recognise and can read at speed

Alien/nonsense words- Made up words designed to help children practice using the sounds they know e.g pag, loip

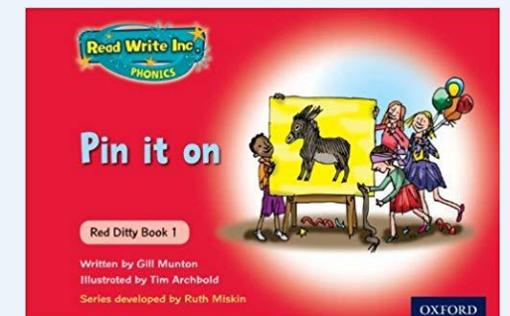

Progression

- In EYFS children begin to learn the set 1 sounds.
- They learn how to write the letter using a picture and a phrase e.g. around the apple and down the leaf.
- Very quickly they will begin to orally blend then read simple words such as mat, sat, pin.
- Once they can do this confidently they move onto reading very simple books called “ditties”

Progression

- As children learn more and more sounds they progress through the books which match very carefully to the sounds they are being taught.
- Children read the book 3 times during the week. Once to learn to read the words. Then to understand the story and answer questions about it. The third and final read is to practice reading with expression.
- This process of reading the story over and over again is vital in getting the children to be fluent readers!
- The children also do writing activities linked to each book during the sessions.

Saying the sounds

The image shows a YouTube video player interface. At the top left is the YouTube logo with 'GB' next to it. To its right is a search bar with the text 'Search'. The video thumbnail features a bright yellow background with a pattern of small white stars. In the top left of the thumbnail is a green and yellow logo that reads 'Read Write Inc. Phonics'. The man is holding a book and looking at the boy, who is also looking at the book. The video player controls are visible at the bottom of the thumbnail, showing a play button, a progress bar at 0:06 / 2:48, and icons for volume, closed captions, settings, and full screen. Below the video player, the video title 'Information for Parents: How to say the sounds' is displayed. Underneath the title is the channel name 'Ruth Miskin Training' with a small logo to its left. To the right of the channel name is a red 'Subscribe' button with '3K' next to it. In the bottom right corner of the video player area, the view count '74,146 views' is shown.

Read Write Inc. Phonics – information for parents

Our films show how we teach children to read and write with Read Write Inc. Phonics.

If your child is in a Read Write Inc. school or if you have bought a parent pack, the films will help you and your child practise together at home.

If you have a question for us, please get in touch via our [Facebook](#) and [Twitter](#) pages.

Reading at Home

Each week we will give your child 2 or 3 books in their book bag/wallet.

Every week an adult in school will change the books they have read.

We will only know they have been read if you write in the yellow reading diary. A supportive 'well done' is great, or feel free to make more detailed notes of any words or sounds to revisit.

Please read the books more than once, this is how children learn to speedy read.

It helps us with our time in school if you return them on the correct day.

EYFS- Wednesday, Thursday or Friday

Year 1- Wednesday

Black and White Read Write Inc Books

These are specific to the group the child is in for phonics.

The group leader will hand these out for children to read their story at home again.

Please keep them in book bags so we can get them back for the next group.

Year One Phonics Screening Check

Our phonics program thoroughly prepares our pupils for the Year One phonics screening check.

This very quick assessment checks the children can apply what they have learnt in their phonics lessons to read a range of nonsenses and real words.

Last year we had a pass rate of 96% (national 82%).

This will take place in the Summer Term.

Final Thoughts

- It is not a race through the colours. It is a repetitive program, but it works for that reason.
- Please look after and return resources for the next child/group.
- Speak to us anytime.
- Thank you for taking the time to support your child.
